

Background

- In 2019 the HPS School Board and facility consultants conducted a District-wide assessment and capital maintenance analysis of all facilities.
- In 2023 a community committee made up of parents, staff, District leadership, and community members at large took part in planning workshops to help the Board with the current and future planning of Harvey Public Schools.
- In January 2024 a District-wide survey was completed to gather valuable feedback to assist the Board in planning for the future and to consider building solutions that meet district needs and are financially responsible.
- The data from the District-wide survey showed 64% support of building a K-12 Campus.
- In February 2024 the District called for a \$23.5M referendum vote to be held on April 18th

Challenges

- Efficiently utilizing instructional space designed for the original 1922 building (last remodeled in 1968).
